

LOVE LANE

STORRINGTON, RH20 4PF

SAXON WEALD

Great homes, building futures

LOCAL AREA

Love Lane is situated just a third of a mile from Storrington's High Street with its selection of shops, services and amenities. A local bus service is available to Horsham and Worthing and the village also has a community bus for shopping trips to larger supermarkets and day trips out.

ACCOMMODATION

Love Lane consists of six one-bedroom bungalows with private gardens and four one-bedroom apartments with a communal garden. The scheme is linked to 12 one-bedroom bungalows at Fletchers Croft and four studio apartments at Chancton House.

Your home will be completely self-contained, with your own front door, and each has their own kitchen and bathroom. All properties also benefit from central heating.

LIVING AT LOVE LANE

There are no communal facilities at this development, but residents are very welcome to participate in activities at our nearby scheme, Kingsfield.

You get independence and privacy when you want it, with the added advantage of living in a welcoming community environment. There are often opportunities to socialise, with regular coffee mornings and various other social events. However, you choose the lifestyle you want and can be as private or as active as you wish.

PETS

We understand that pets can be a big part of our lives, however, you must have prior consent before keeping a pet in your home. If you would like to keep a pet, please speak to your scheme manager. They will consider requests based on individual circumstances.

COSTS

Rent is calculated according to the size and type of property that you live in. There will be service and support charges in addition to this.

For more information about our schemes, or living in retirement housing, please call us on 01403 226000 or email hello@saxonweald.com. You can also visit our website at www.saxonweald.com.
