

Dear Neighbour...

Dear neighbour

I'm sorry for bothering you but I just wanted to let you know that

on(date) at(time)

I was disturbed by noise that I believe was coming from your flat.

It sounded like...

☐ Dog barking

☐ Music too loud

☐ TV too loud

☐ Door(s) slamming

☐ Washing machine

☐ Heavy footfall

☐ People shouting

☐ Other _____

I'm sure you weren't aware that this might have caused a problem, and do hope it can be avoided in the future so that we can all enjoy living in our homes.

Thank you so much for your co-operation.

Kind regards

SAXON
