

# PLATINUM JUBILEE CELEBRATIONS 2022

We know that many of our residents will be looking forward to the Jubilee celebrations they have planned for the June bank holiday weekend.

## The boring bit...

We've put together a few tips and things to consider to help ensure your event is enjoyable for everyone.

### Fire safety

- Make note of any potential hazards and have measures in place to control them
- Assign a designated fire evacuation point and let everyone who is attending know where it is

### Health and safety

- If a third party is providing inflatables, such as a bouncy castle, ensure they have suitable insurance in place
- If your event means closing a road, you must ask your local council for permission

### Food and entertainment

- If third-party caterers or entertainment such as a band or DJ are attending, ensure they hold their own Public Liability Insurance (the minimum we advise is £5M)

## The fun bit...

We've also put together a list of ideas and activities to help you with your celebrations!

- **Activities for the kids** – head over to the [Platinum Jubilee](#) website for colouring templates, mazes and more to keep the little ones occupied.
- **Food and drink** – it wouldn't be a British celebration without tea and cake! But if you fancy trying a new recipe for the occasion, [BBC Good Food](#) has some tasty Jubilee recipe ideas.
- **Music** – it's also not a party without some good tunes. Spotify have done the hard work for us with. Check out their [Diamond Jubilee playlist](#).
- **Decorations** – make sure your garden, street or venue look the part with some Jubilee decorations. [Click here](#) for some bunting you can print and make yourself.
