

Work Smart Surrey & Sussex

Employment support for you

In partnership with...

What is Work Smart Surrey & Sussex?

This project helps local people find work and support you if you're already in lower paid work, to find a better-paid job.

The project can support you to increase your skills, knowledge, and mindsets to get, keep, and progress in work. The employment support is given through the experienced Raven team.

Who can get employment help?

The scheme is open to anyone who lives in East Surrey, Epsom or West Sussex who is not currently employed or is looking for better paid work. If you're supported by any of the project partners you can ask for a referral or use the QR code on the back of this leaflet to self refer.

What help is available through Work Smart Surrey & Sussex?

- **Personalised assessments:** Supporting you to identifying obstacles to employment or career advancement, and make plans to overcome them.
- **Training and skills development:** Accessing essential training programmes to boost your employability and upskilling for work.
- **Financial assistance:** Supporting you with childcare, travel expenses, and training course fees.
- **Expert guidance:** Providing you help with CV writing, job applications, and ongoing professional development.

How to access support

Contact any of the project partners you're already engaging with, as they can make a referral for you.
